My son / daughter has my permission to attend Lakewood Ranch High School football camp. I have no knowledge of any physical impairment that, would affect or be affected by my child's participation in the LRHS Football Camp. In the event of the need for medical treatment, I give the camp staff permission to act for me to obtain for my child whatever medical treatment the staff in its best judgment deems necessary and appropriate. I specifically consent to such treatment including but not limited to hospitalization and surgery. I acknowledge that at the football camp my child will participate in a sport that will involve, among other things, physical contact of the body with other persons or objects, including the ground that at the football camp could result in physical injury. I specifically waive and release and hold harmless the LRHS Football Camp Staff members, the School Board of Manatee County and its employees from liability for any claim for damages which I or my child may have injuries or illness that they may sustain at the Football Camp. I authorize the LRHS Football Camp to use my child's name, and or photographs of my child for articles for publicity purposes.
