**Coach Jeff Simmons
Lakewood Ranch Athletics
5500 Lakewood Ranch Blvd.
Bradenton, FL 34211**

Your support of Lakewood Ranch High School Athletics is greatly appreciated. Your participation as a corporate sponsor will help our athletes to compete at their best. All the money raised by the Athletic Department goes directly back to the athletic programs and our student athletes.

LRHS Athletics is gearing up for the new school year, the fall season that is approaching, and again we are asking for your help. Please know that your financial support is the backbone of the Lakewood Ranch High School Athletic operation. We have over 800 student-athletes and each one, as well as their parents, is aware of what your company provides.

The school district only provides \$30,000.00, for each Manatee County High School. Those funds are spent before the end of the fall sports season. With the cost of transportation/travel expenses, referees/umpires, equipment, etc.; \$30,000.00 doesn't go far. Therefore, your participation as a sponsor is so vital to our efforts. Corporate Packages have changed a bit, with addition of the Video Board Advertisement @ the Stadium.

On behalf of the Lakewood Ranch High School athletes, their parents, Boosters, and coaches we thank you for your generous support.
